ART REFLECTION

1. Find Your Favorite Art: Look at all the art in the gallery and pick the one you like the most.

2. Explain Why You Like It: Think about why you chose this art. Is it because of the colors, the shapes, or maybe the things you see in it like animals or people? Tell us why this art makes you happy!

Example:

"I like the painting with the big red flowers because red is my favorite color and the flowers look really pretty."

My favorite art piece was

I liked this part because
